

BLACK PYTHON DEVS

ABOUT BLACK PYTHON DEVS
2024

OUR GOAL

Our goal is to become the largest community of Black Python Developers in the world and establish our community as a source for diverse leaders in the greater Python community.

OUR COMMUNITY'S INTENT

- Establish guidance, mentorship, and career support for Black Pythonistas around the world.
- Create opportunities for the Python community to invest in local communities of Black Python Devs members
- Increase participation of Black Python Devs members in existing Python community programs, events, and initiatives.
